The name of our country is Bangladesh. Bangladesh declared independence on 26 March 1971. It became free from Pakistan on 16 December 1971 after a great Liberation War. Dhaka is its capital. Bangladesh is a small country. Its land area is 1,47,570 square kilometers. But it has a large population. About 140 million people live here. Bangladesh is mainly an agriculture country. Its main crop of this country is rice. But the farmers grow jute, sugar-cane and tea. Many kinds of fruits also grow here. Jackfruits, mangoes, bananas, pine-apples, guavas and watermelons are the common. My country has also many rivers. The main rivers are the Padma, the Megna, the Jamuna and the Karnaphuli. There are many varieties of fishes in these rivers. We have many interesting places. The Sundarbans, Rangamati and Cox's Bazar are very attractive. The national animal Royal Bengal Tiger lives in the Sundarbans. Cox's Bazar is the longest beach in the world. It is about 120 kilometres long. Many people visit these places every year. Dear N,

I received your letter yesterday. In your letter you have wanted to know about my country. I am telling about it in short.

The name of my country is Bangladesh. It became independent in 1971. Dhaka is its capital. Bangladesh is a small country. Its land area is 1,47,570 square kilometers. But it has a large population. About 140 million people live here. Bangladesh is mainly an agriculture country. Its main crops are rice, jute, sugar-cane and tea. Many kinds of fruits also grow here. Jackfruits, mangoes, bananas, pine-apples, guavas and watermelons are the common ones. There are many rivers in my country. The main rivers are the Padma, the Megna, the Jamuna and the Karnaphuli. We have many interesting places too. The Sundarbans, Rangamati, Cox's Bazar are very attractive. The Royal Bengal Tiger lives in the Sundarbans. Cox's Bazar is the longest sea beach in the world. The people living in this country are very simple and peace-loving.

No more today. With best wishes.

Your loving friend,
